“My Badge number is 4165. The nature of this call is regarding an enforcement action which has been executed by the US treasury department regarding a tax fraud against your name. Ignoring this will be an intentional attempt to avoid initial appearance before a magistrate judge or a grand jury for a federal criminal offense. SO before this matter goes before to Federal Claims courthouse or before you get arrested. SO call us back. Our number on 305-909-1295. Again, the number is 305-909-1295. Hope to hear from you soon before the charges are pressed against you. Thank you.”
